São Paulo, February 2012.

Appointment of Braskem Netherlands BV as Only Representative under REACH of Braskem

Dear Sir or Madam

I am currently in charge of Certifications at Basic Petrochemicals Unit, that includes REACH among others. Please find attached a communication about current status on REACH of Braskem S.A. and Braskem Americas legal entities and products.

You are importing into the EU and/or EEA products and/or articles containing substance(s) manufactured by **Braskem S.A.** and/or **Braskem Américas S.A.** outside the EU and/or EEA.

We hereby inform you that we, **Braskem S.A.** and **Braskem Américas S.A.**, have appointed

Braskem Netherlands B.V.
Beursplein 37, Kamer 859
3001 AA Rotterdam
The Netherlands

as her only representative ("OR") according to Art. 8 (1) REACH Regulation for pre-registration and registration of our manufactured substances/substances in products listed in Enclosure attached to this letter.

Due to the aforementioned appointment of an OR you may be relieved from your obligations as an importer under REACH for the Substance(s) **Braskem S.A. Brazil** and **Braskem Americas** has included in this OR agreement.

Contact Braskem Netherlands BV to make sure you are eligible to benefit from the possible relief.

In addition is important note that if Customer is buying the same substance from **Braskem BV** and **Braskem America**, then will be necessary take two registration numbers.

Please note that under no circumstances will Braskem Netherlands register substances manufactured / supplied to Customer by third parties. Therefore, if Customer obtains the same chemical substances as supplied to Customer by Braskem non EU Manufacturers from non EU third party manufacturers/distributors, Customer may be under an obligation to register those substances under REACH.

For further information relating to Braskem REACH compliance, please do not hesitate to contact me.

Yours sincerely,

Braskem S.A.
