

NOTICE ON RELATED-PARTY TRANSACTIONS

Parties	Tenenge Engenharia Ltda. (Tenenge or Service Provider) and Braskem S.A. (Braskem or Contracting Party).
Relationship with the issuer	Tenenge is a subsidiary of Novonor S.A. – Under Court-Supervised Reorganization which in turn is the controlling shareholder of Braskem.
Purpose	Electromechanical assembly services agreement for the investment project to expand the production capacity of the Ethylene-Alcohol Unit located in Triunfo, Rio Grande do Sul (“Q2 RS”).
Key terms and conditions	<p>Scope of Agreement: to provide electromechanical assembly services for the investment project to expand production capacity of Q2 RS.</p> <p>Term of the Agreement: 18 months</p> <p>Total amount: one hundred twenty million reais (R\$120,000,000.00)</p> <p>Payment Method: the services effectively rendered shall be measured and compensated based on a Unit Price spreadsheet, in accordance with each service that is part of the scope and its respective measurement unit.</p> <p>Situations of Termination: in accordance with typical market practices (e.g., contractual breach, force majeure or act of God, dissolution, in or out-of-court reorganization of any of the parties, among others).</p>
Date of agreement’s execution	February 15, 2022
Any participation by the counterparty, its partners or managers in the issuer’s decision-making process or in the negotiation of the transaction as representatives of the issuer	The counterparty and its partners and managers did not participate in Braskem’s decision process or in negotiating the transaction.

<p>Detailed justification of the reasons why the management of the issuer believes the transaction was carried out on an arm's length basis or involves adequate compensatory payment</p>	<p>Braskem held the competitive bid process and, among the bidders, Tenenge offered the best score in the technical evaluation and the best commercial conditions, ranking first in the technical-commercial weighting.</p> <p>The execution of the purposes of the agreement requires high technical standards of quality and productivity, along with strict compliance with health, environmental and safety standards, and Tenenge fulfilled all these requirements. Tenenge has vast experience in executing the Services under other previous agreements and its performance reviews have been positive.</p> <p>The decision-making process involved the analysis and negotiation of Tenenge's proposal, whose contracting was approved by Braskem's governance bodies and complied with the guidelines and rules of the Company's procurement process.</p>
